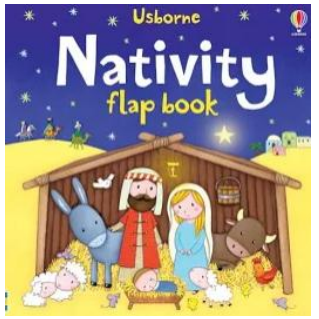
Week Commencing: 30.11.2026

Hello everyone, We've had a lovely week in Little Stars. As you will have seen, Miss Potter will be starting her maternity leave from next week. We will miss her lots and wish her all the best at this special time. Miss Warrington will be our new teacher, working with the children Wednesdays to Fridays. She has already spent some time with the children and is loving getting to know them! This week the children have been continuing reading the story 'Chocolate Mousse for Greedy Goose'. They have also enjoyed playing rhyming games, spotting rhymes in other stories and singing lots of rhymes as well!

We will be:

- Continuing to practise songs for our Nativity performance and practising singing and using claves together. We will be singing higher, lower, louder and quieter.
- Counting to 5 and sharing out objects equally. We will be singing the nursery rhyme 5 currant buns and sharing out the pennies. Listening for rhyming words in the stories we share.
- Listening to the number of beats (syllables) in words. Using claves to clap out the number of beats and sorting pictures by how many beats. For example, box has one beat and apple has two.
- Throwing and catching balls outside.
- Practising pedalling on the bikes outside.
- Continuing our Squiggle whilst you wiggle program, focusing on clockwise and anti-clockwise circles.
- Writing messages and wrapping presents and parcels in our post office and wrapping station role play areas.



Reminders:

Our Christmas performance will be on Wednesday 9th December at 9:15am.

We would be really grateful of any donations of wrapping paper, old greeting cards or tags/ gift bags for our role play area.

Thank you for your support

The Little Stars Team.
