

School Parliament meeting 15th November 2023 Minutes

Our first Meeting of the year. We introduced ourselves and talked about what we do in School Parliament. We talked about our Parliament Promise to remind ourselves that everybody has a turn to speak. That we listen and respect other peoples ideas and beliefs.

We talked about anti bullying week and how the activities in class were helping us to learn about each other.

All children said they felt safe at school ;

- Everyone supports us
- My friends are here
- My friends help me to feel safe
- People take care of us

Children felt the hot spots were;

- Queuing at monkey bars
- Football pitch—ball can fly off - felt they needed a safe zone
- The house when people jump through
- It can get squished in the cloakroom Y2

Other things that came up

- Y2 would like a girl and boy football team
- Pokeman card club idea
- Change some dinners— we would like more choices—some people like pasta and some don't
- Do more History and less phonics, some of us love phonics
- Outdoor learning/ more fresh air
- We'd like some water to test boats in

The meeting closed after a biscuit and a glass of juice.
