- Discussed the pirate ship for the playground project which has now been ordered
- One pupils wanted a maths club for playtimes as loved maths
- One pupil wanted to come inside if it was ‘strong raining’
- Children expressed concern about the areas that flooded around school

### **Y2 Exit interview comments**

- Best teachers help us and are generous, give us lots of house points, tell us when we are sitting nicely
- One child wanted children sent out who were naughty to ‘give us resting time’
- ‘naughty people get to go on iPads more’
- When we finish learning we just have to read a book it gets boring, some children who finish get to choose whatever they like and we don’t
- A help desk should be in all classes as it really really helps you learn
- There should be 4 star challenges in everything
- More purple mash, computers, ipads time, it really helps us learn
- Wanted slippers or to be able to wear sandals with no socks at school
- Thought handwriting pens were really good
- Class budgets helps us to take care of our things
- Half the children like house points/half liked merits better, wanted monthly reward winners so winning more often
