

Passport to Life

Our Passport to Life is integral to our curriculum as Westdale. It is based on what we want the children to achieve during their learning journey with us and life experiences and skills we want our infant children to have. These have been carefully selected to fit with our curriculum drivers and the teaching and learning in specific topics and subjects. We want purposeful but fun too!

The children tick off their experiences in each year group and take their Passport with them as they go through school.

Have a snail race

Camp outside

Run a dinosaur museum

Meet a polar bear

Sing in a church

Find a Boggart

Sit in a fire engine

Have a water fight

Visit the community
