

How were you feeling?

lonely

cross

scared

bored

sad

upset

how can we make it right?

complete my learning

say sorry

have a hug

ask an adult to help

repair

shake hands

calm

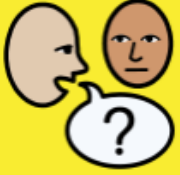

What can I do next time?

share

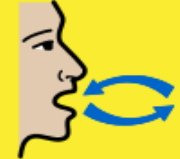

take turns

ask

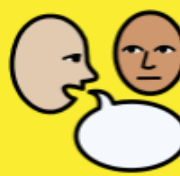

count to ten

breathe

go to a quiet space

tell an adult

listen

say stop

Repair and rebuild

What happened

said something unkind

hitting

pushing

biting

shouting

kicking

pulling
