

School Parliament meeting 17 October 2025

We started our meeting with a welcome from Mrs Lewis. All the children introduced themselves and received apologies from our friends who were poorly or not at school.

We spoke about our role, to have a voice in the decisions of our school. We also discussed how to take turns and listen during the meeting when somebody is speaking, to show respect.

The children wanted to talk about things in school that were concerning them or they had noticed. We spoke about:

- Pokemon cards, how children are still bringing them in and they shouldn't be—how this is unfair.
- How we shouldn't be bringing lip balms in

We talked about what was good in our classrooms—the children said,

“We like our classrooms – people play with me”

“We like to play a lot – children are kind – “

We talked about how we like our classrooms to be so that we can learn.

What to do if we see unexpected behaviour and how to help our friends if they are struggling.

We told Mrs Lewis what we would like to discuss in future parliament meetings:

- Pokemon cards
- Lipsticks
- No climbing trees
- Being safe
- Tidying up and looking after our school
- Kind words
- Looking after toys at lunchtime
- Not to go in the bushes to play

Next time—walk around our school to check our Westdale Promise—taking care and respecting our school and each other.

The meeting was closed at 12pm after a drink and biscuit
