

School Improvement Plan 25 26

Quality of Education

For children to make accelerated progress in phonics so that more children pass the phonics screening and resit and that overtime this will positively impact their reading and writing (% TBC)

Quality of Education

Ensure all teaching and learning is at least good and consistent so that children learn more and remember more

Behaviours and Attitudes, Wellbeing and Personal Development

To develop an inclusive community where everyone belongs, feels safe and supported

Early Years

To develop good oracy and high-quality adult-child interactions in the Early Years, enabling our youngest children to articulate their ideas and learning confidently.
