

Little Stars Newsletter w/c 16th December

Hello everyone,

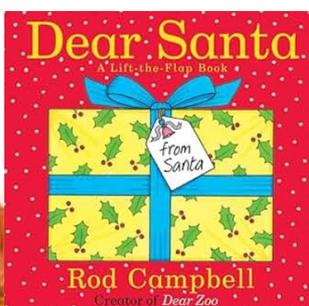

Wow what an exciting week. The children did absolutely amazing in their nativity and it was lovely seeing all your faces supporting them. Their outfits looked brilliant so thank you! We have been reading the story 'Nativity' alongside our singing. This week we have been talking about and making maps of our classroom. If you wanted to help at home, have a go at making a treasure map and finding your way around. We have been using the words 'straight on' and 'across'.

Next week we will be

- Reading the story 'Dear Santa'.
- Finding the letter 'l' in the water tray.
- Sending home bags on their last days to replenish ready to bring back in January.
- Talking about winter and the cold weather!
- Practising the marks we know so far and drawing circles anti-clockwise using tripod grip.
- Writing Christmas cards for our friends and family.
- Making winter robins.
- Writing our names and our friends names.
- Recapping all we know so far about number one, maps and routes.

I will be soon putting on Dojo the display cards we use for the children in phonics. If you are able to spend any time with the children doing the sounds we know so far over the holidays, this would massively help their learning. We have done the sounds, s a t p i.

We look forward to another exciting week!

The Little Stars Team.
