

Little Stars Newsletter w/c 30th September

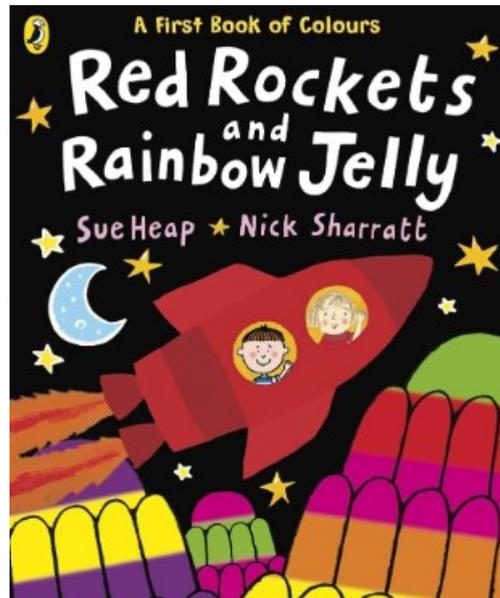

Hello everyone,

This week we have been very busy learning about buses. We have spotted them in our playground, been on bus rides in our classroom and mark making everything wheels! We have been learning about all the sounds we can hear in our classroom. If you want to have a go at home, I sneakily made a sound inside, and then the children had to guess what it was! They loved it!

This week we will be listening to the story 'Red Rockets and Rainbow Jelly.' This is a fabulous story about how we all like different things and celebrating that we are all different!

We will be:

- Introducing Autumn and exploring outside.
- Using leaves to paint, print and stick!
- Drawing squares using our new lines down and across.
- Drawing our faces after looking in the mirror and talking about what we look like.
- Celebrating what we like and what we don't like with our friends.
- Exploring jelly in our water tray!
- Mixing up colours using the paints.
- Exploring musical instruments and the different sounds that they make.
- Counting out amounts and learning that the last number tells you how many there are.
- Learning about the emotion happy and talking about what makes us happy.

Have a good week everyone!

The Little Stars Team
