2021 - Parent/Carer Voice Survey Summary (23/04/2021)

Please complete the following short questionnaire about how you view our school. It is really important to us that we receive your views as this will help us to recognise our strengths and development points in lots of areas, including how nurturing we are, and improve where necessary.

We welcome honest, kind feedback if you can spare the time. We will let you know the results, once collated and our response to actions that may need to be taken.
