

Little Stars Newsletter w/c 13-04-2026

Hello parents and carers,

We have had a lovely week learning about Easter and going on exciting Easter egg hunts! We have also been reading stories about people who help us and had a special visitor in to talk to us about looking after people as a nurse and carer. They have loved playing doctors and nurses this week.

When we come back we will be singing the nursery rhyme '5 Little Peas' and reading the story 'Jack and the Beanstalk'.

We will be:

- Welcoming some new starters to Little Stars!
- Playing get to know me games.
- Talking about our Easter holidays.
- Playing in the garden centre and exploring what plants need to grow.
- Recapping all the Makaton signs that we have learnt this year so far.
- Playing musical corners with the phonics sounds we have learnt so far! These are s a t p l n m d c k o g.

The sound cards for these will be posted on Dojo so N2s (children starting school in September) please feel free to practise these sounds with the children. The more they remember them the more it will help with their listening skills, and getting them ready for Foundation.

- Playing musical corners with environment, percussion and instrumental sounds N1s (children who are staying with us another year) .
- Recapping everything we know about numbers 1 and 2.
- Counting in sequence to 20.
- Making beanstalk paintings.

We hope you all have a lovely half term Easter break. We look forward to welcoming our new friends after the half term.
