

Little Stars Newsletter w/c 20-04-2026

Hello parents and carers,

We have had a lovely week sharing the story of Jack and the Beanstalk. The children have enjoyed playing in our new garden centre role play and counting beans. They have also been very creative painting their own beanstalks! It has been so lovely to welcome new friends and see how well they have settled in to Little Stars.

Next week, we will continue the story of Jack and the Beanstalk.

We will be:

- Playing in the garden centre and exploring what plants need to grow.
- Planting our own seeds and talking about how we take care of plants.
- Playing musical corners with the phonics sounds e and u. Writing the letter e.
- Playing rhyming soup and exploring words that sound the same.
- Looking at the number 3 and recapping 1 and 2.
- Counting in sequence to 20.
- Sharing the story 'I am Brown' and talking about our emotions.
- Listening to and joining in with the song 'Let it grow' and learning the Makaton sign for grow.
- Practising our mark making patterns and drawing a beanstalk.

Advance notice of some dates for your diary:

Sports Day– Wednesday 10th June 2026

Little Stars Graduation– Wednesday 22nd July 2026.

Have a lovely weekend

The Little Stars Team
