

## Little Stars Newsletter w/c 27-04-2026

Hello parents and carers,

We have had a lovely week continuing our story 'Jack and the Beanstalk.' The children have been acting out the story with props, planting their very own beanstalks, and writing some letters on beanstalk pictures.

Next week, we will be reading the story 'Hair Love.' This is a brilliant story about how we all are different, special and amazing!

We will be:

- Talking about our likes and dislikes .
- Talking about similarities and differences with our friends but we all belong.
- Blending words back together in phonics such as 'r a t' with our sounds of the week 'r' and 'h'. N2s will be finding treasure in the sand of objects beginning with these sounds. N1s will be continuing rhyme and playing 'what's in the bag?'
- N2s will be making number bonds to 5 and counting to 20 in maths. N1s will be subitising small numbers up to 4.
- Recognising and writing number 3.
- Looking at life cycles of plants and a caterpillar.
- Moving my hands to a rhythm with an instrument, and practising to play them louder, quieter, faster, slower.

Advance notice of some dates for your diary:

Sports Day– Wednesday 10th June 2026

Little Stars Graduation– Wednesday 22nd July 2026.

Have a lovely weekend

The Little Stars Team
