What a lovely sunny week! Year 2 had a fabulous time on Wednesday with Adam from Silverscreen Productions, filming their leavers video; they all looked amazing and we cannot wait to see the final production!

It won't be long until we begin to go out of school on our exciting trips; the staff are working really hard with all the organisation of the days. If you haven't managed to pay yet, you are still able to do this on ParentMail; this will ensure all the exciting days out can happen!

Weekly Attendance Update

Year so far: 94.56% This week: 94.57% Target: **97%**

Staff Shout Out

Staff shout out this week goes to Miss George, our fabulous PCA. Miss George works with our Year 1 team, making sure the children are safe and happy. She organises and sets up for the climbing club in the morning for some children and always looks after them.

Thank you Miss George for always pitching in and for being amazing!

You might have noticed some lovely painted rocks around school lately! These creations are inspired by the English books we read in class.

For Year 2, we've been diving into 'Mad About Minibeasts' by Giles Andreae, with a fab selection of minibeasts rocks near the school reception.

Over by our Eco-Team's vegetable planter, you'll also find rocks inspired by Foundation's 'Supertato' by Sue Hendra, featuring a collection of quirky vegetables. Be sure to check them out! We have more exciting projects in the pipeline, so keep your eyes peeled for what's next! If you have any small, round, smooth pebbles you could donate to school, please let us know - we are hoping to start a children's rock-painting group to unlock more of their creativity.

UPCOMING EVENTS

01/07/25

Year 2 Trip to Twycross Zoo

03/07/25

Class Swap Day

Year 2 to Juniors Day

Hub Sports Day

09/07/25

Sports Day

Important Information School calendar:

Next week's [School Dinners](#) will be **Week 1** Please note that dinner orders are taken a week in advance

THANK YOU

Year 2 Film Night

With the money raised from our film night, we've treated both Year 2 classrooms to a fantastic new set of ginormous minibeasts and little minibeasts!

We also got lifecycle animal sets featuring chickens, butterflies, and frogs, plus some super fun Minecraft magnets to help them create their own worlds.

To add to the small world area, we picked up some new coconut shells, artificial grass, and wooden vehicles. We had lots of fun unboxing everything today, especially crafting minibeast habitats!

It's been a brilliant experience, and we can't wait to explore more with these exciting resources!

Thank you so much for getting behind us and supporting us with these fund-raising evenings!

Please can you ensure that ALL uniform is clearly labelled with your child's name.

Every day we have lots of uniform that gets put into the lost property box in reception that we cannot return to it's owner as they are not labelled.

Children are finding it hard after PE sessions to get changed back into their clothes (even though they get changed in their own hoop!) as dresses and tops are not labelled.

Thank you for your support—this would be a HUGE help in school!!

Eco Team Update!

With this hot weather and all this glorious sunshine, the Year 1 Eco-Team children have been helping to keep our vegetables hydrated. The Year 2 children have also been helping to keep the plants in the year 2 courtyard

Thank you so much for all the amazing donations so far!!

If you haven't had chance yet and you have five minutes this hot weekend:

- **buy your family disco tickets** in Parentmail from payments / shop. Saturday 5th July 2.30pm to 4.30pm at the newly refurbished Punchbowl upstairs function room. Book a table in the dining room if you want to stay for dinner there afterwards.

- **find a teddy and a bottle** to donate to the summer fair tombolas - drop off in the donation box in the office any time

- **£ set aside spare change ~ pound coins and 50p coins ~ £** All funds raised from the summer fair going to the school. Straight after sports day on Wednesday 9th July in the playground. Bring your own picnic, tombola's, coffee & cake, ice poles and now also garden games

Year 2 Continuous Provision

The children in Rainbows created an amazing city that showcased all their geography learning and their understanding of the world! They worked brilliantly as a team, crafting different human and physical features, including an airport, train station, beach, farmyard, park with minibeasts, a zoo, ocean, volcano, carpark, and bus station. It even had its very own Westdale Infant School on Digby Avenue, complete with little children playing in the playground. Their attention to detail and creativity were fantastic, and they labelled everything beautifully. Honestly, their imagination was breathtaking and truly something to be proud of!
