

Little Stars Newsletter w/c 20.7.26

Dear parents and carers,

As this is our last newsletter of the year, we would like to take this opportunity to thank you all for your kindness and support. We wish all our Little Stars who are starting school in September, the very best for the future. It's been an absolute privilege to be their teacher.

We've had another lovely week with our Little Stars sharing the story 'Look What I've Found' and talking about all things seaside! It was lovely to see lots of familiar faces at the Family picnic this week as well, we hope you all enjoyed the occasion. For our final week, we will be continuing to share 'Look what I've found' alongside other holiday and seaside stories. We will also be continuing to practise our songs for graduation on Wednesday and we will take part in the 'Westdale's got Talent' show on Tuesday along with the rest of school..

Here are some of the activities we will be doing alongside lots of child led play.

- Playing sound games in phonics using Supersonic Phonic actions. We'll be revisiting all the sounds we have learnt so far too.
- Singing rhymes and playing sound discrimination games.
- Drawing and painting shells.
- Making cones and ice creams from a variety of materials.
- Looking at films of sea creatures.
- Scissor skills.

We have now started to collect in any reading books from our library. **Please can any library books be returned by Wednesday 22nd July.**

We're looking forward to a happy final week of fun and play. **Our last day is Friday 24th July. School reopens on Thursday 3rd September 2026.** We hope you all have a wonderful summer.

Thank you

From all the team in Little Stars.
