

Little Stars Newsletter w/c 21st September 2026

What a busy and exciting week we are having at Little Stars!

This week we have enjoyed getting to know our new friends as they started their full days. We have all had lots of fun making new friends and exploring all the areas in Little Stars. The children have enjoyed singing The Wheels on the Bus and other familiar songs.

This week we will be continuing to sing more nursery rhymes. We will be:

- Continuing to welcome and settle our new friends into nursery.
- Playing getting to know me games.
- Sharing the story 'How to catch a star'
- Singing two different versions of Twinkle Twinkle Little Star.
- Introducing our Zone of Regulation house and talking about our feelings.
- Continuing to practise using and understand positional language by hiding Humpty Dumpty.
- Going on sound walks around Nursery to practise our listening skills.
- Sharing some stories and singing songs relating to Harvest such as Each Peach Pear Plum and Big Red Combine Harvester.

Reminder: Please can you make sure all coats, cardigans, water bottles and lunch boxes are named so we can help the children to find and look after their belongings. It would be really helpful if the children can practise putting on their shoes and coats in the morning for Nursery each day to help with their independence.

Have a lovely weekend
The Little Stars Team
