

Little Stars Newsletter w/c 28th September 2026

This week we have had lots of time to develop lovely friendships and play games together. The children have enjoyed singing our harvest songs such as 'Big Red Combine Harvester and talking about the farmers. We have also explored pumpkins and Autumn leaves. We have made lots of star things alongside our story of the week and this will continue next week.

This week we will be continuing to read the story 'How to Catch a Star'. We will be:

- Making story maps together.
- Painting and creating more stars.
- Discussing what makes us happy, and what makes us sad.
- Climbing on obstacle courses outside.
- Throwing and catching balls with each other.
- Using scissors to cut out straight lines.
- Going on outside sound walks using our listening skills with Listening Len.
- Playing 1 or not 1 in maths and learning all about number 1.
- Writing number 1 on the board and on our pictures.
- Continue singing harvest songs in preparation for our schools harvest festival.

Phonic friends

Listening Len

On Monday 5th we have an athlete coming into school. He will take groups of children for a mini circuit and to tell them about his medal! Sponsorship forms have been sent home today– any donations will go towards PE equipment across the school.

Have a lovely weekend

The Little Stars Team
