Staff Shout Out

Today we bid farewell to our lovely colleague Lucy Adams who works in the office part of the week, we want to take a moment to express just how much she has meant to our team. From the very first day, her helpful nature stood out, as she was always the first to lend a hand or offer words of encouragement. Whether it was assisting with a tricky admin task or simply providing a listening ear, her kindness never went unnoticed.

Throughout her time with us, she made a big difference in so many ways. Not only did she approach her work with utmost dedication (including writing our weekly roundup so perfectly every week!) but she also been an incredibly supportive friend within the team. Her contributions have been invaluable, and there's no doubt that she is an absolute asset to the admin team. We have all grown and thrived thanks to her positive influence!

As she embarks on this new chapter, it's difficult to imagine the office without her warm smile and caring nature. We'll miss her very much! Best of luck in your next adventure Mrs Adams—you truly deserve it! Thank you for everything!

P.S. Please bear with Miss Hoult who will be taking on the round up reins – eek!
