

Little Stars Newsletter w/c 9th February

Hello everyone,

This week, we have enjoyed finding out all about Chinese/Lunar New Year. The children have enjoyed making dragons and collage lanterns, acting out the story of The Great Race and having our own Little Stars races on the big playground.

Next week, we will be:

- Continuing to act out the story of the great race using masks to be the different animals.
- Continuing to find out about how Lunar New Year is celebrated, looking at food, clothing and traditions.
- Learning a new song and joining in with our own dragon dance!
- Finding out about the artist Matisse and making our own piece of work inspired by him.
- Learning all about Safer Internet Day, which is next Tuesday 10th February. We will be sharing lots of stories and picture books about how to stay safe online and designing our own game.
- Recapping all the sounds we know in phonics so far and introducing the new sound 'd' for our N2s. N1s will be listening to instrumental sounds and playing the instruments in different ways.
- Counting out coins to put in our red envelopes. N2's will be testing our problem solving skills and seeing if we can count the correct amount out from a larger group. N1's will be practising our 1:1 counting to 5.

Just a reminder, we break up for the February half term holiday on Friday 13th February. School reopens on Monday 23rd February. Have a lovely weekend.

The Little Stars Team.
